

## **Internal Applicants-Employees**

### **Managing your Career at Valley Children's Healthcare**

The **Best People Center** is designed only for current Valley Children's Healthcare employees. Lists of job opportunities open in all areas are posted on this site. This site allows for current Valley Children's Healthcare employees to apply for a transfer or a promotion into an opening that matches career interests and advancement.

Valley Children's Healthcare employees will need to use their work email to enter the site. You can view all job openings by clicking "Search" without entering any selections. You must complete the on-line application for consideration. Please do not use your personal email address as the system will not recognize you as an employee. It is in your best interest to apply as an internal (employee) due to some positions being posted are "internal only" (for employees).
