## About The Properties

These properties are intended to offer temporary housing for Team Members in need of relocation assistance, including international workers and those seeking short-term rental support. Typically, each apartment accommodates 2 to 5 housemates, depending on the specific complex. While the company may assign you a roommate, we'll consider requests for particular roommates and properties, but we cannot guarantee any specific arrangements.

Linens and toiletry items are  
NOT provided unless stated  
otherwise.

Kitchens are equipped with essential cooking and dining utensils, a refrigerator, a stove top oven, and in some cases, a microwave. The dining area includes a table and matching chairs, either four or five. While each apartment is fully furnished, actual furnishings will vary from unit to unit and across complexes.

Living rooms feature a couch, recliner, coffee table, and a streaming TV accessible via WiFi at no extra charge.

Bathrooms include a shower/tub, toilet, and sink.
